

Statement	Mean	Mode	Range
Teachers self assessments of their specific learning needs should guide their professional learning tasks	2.3	3	1-4
It is important for ALL teachers to have skills for improving student literacy	1.5	1	1-3

1-Strongly Agree

5-Strongly Disagree

**Given the significant reduction of renewal credits required for teacher license renewal, rate the following based on what you believe is the most important to require for all teachers**

Activity	Most Important	Least Important
Strategies for improving student literacy	6	0
Training in the subject s/he teaches	4	1
Professional learning based on teacher self assessment	2	0
National Board Certification	0	2
Classroom teaching experience	0	6

**Numbers indicate how many task force members provided that rating for each activity.**

**Activities are presented in order of “importance”**
